Title III Testing

Title III is a federal act to help ensure that English language learners attain English language proficiency and meet state academic standards. PJPII has an opportunity to receive Title III funding to provide more resources to our students. In order to receive these funds, we will be testing a small group of students next week on Monday, Thursday and Friday. This will be helpful information for us in planning how to use these resources, and does not affect the students' grades. Make-up tests will be held on Monday, March 19. Your student is only testing if

you received a notice in last week's Wednesday Folder. If you have any questions, please contact Ms. Moret at amoret-gillespie@pjpiischool.org or 773-523-6161.

El Título III es una ley federal para ayudar a garantizar que los estudiantes que están aprendiendo inglés alcancen el dominio del idioma inglés y cumplan con los estándares académicos estatales. PJPII tiene la

oportunidad de recibir fondos del Título III para proporcionar más recursos a nuestros estudiantes. Para recibir estos fondos, probaremos un pequeño grupo de estudiantes la próxima semana los lunes, jueves y viernes. Esta será información útil para nosotros al planificar cómo usar estos recursos, y no afecta las calificaciones de los estudiantes. Las pruebas de recuperación se llevarán a cabo el lunes 19 de marzo. Su estudiante solo está evaluando si recibió un aviso en la carpeta de los miércoles de la semana pasada. Si tiene alguna pregunta, comuníquese con la Sra. Moret a amoret-gillespie@pjpiischool.org o al 773-523-6161.

The School Review for our AdvancEd Accreditation is next Tuesday, March 6. We will have visitors in the building and in classrooms throughout the day.

We look forward to this opportunity to share all the excellent work of our students
